

Solid Waste Facility Permit		1. Local Facility No: None SWIS No. 08-AA-0006
2. Name and Street Address of Facility Crescent City Landfill End of Hights Access Road Crescent City, CA 95531	3. Name and Mailing Address of Operator Del Norte Solid Waste Management Authority 391 Front Street Crescent City, CA 95531	4. Name and Mailing Address of Owner: 5. County of Del Norte 583 G Street Crescent City ,CA 95531
5. Permitted Operations: The following operation, as defined by the California Code of Regulations Title 27, is authorized by this permit: Municipal Solid Waste Landfill		
6. Approval  Approving Officer Signature Stephen D Bromer, Director	7. Approval dates: Date received by CIWMB: <u>MAY 16 1999</u> CIWMB Concurrence Date: <u>MAY 27 1999</u> LEA Permit Issuance Date: <u>6-1-1999</u>	
8. Local Enforcement Agency Name and Address: Del Norte County Health Department 880 Northcrest Drive Crescent City, CA 95531	9. Operator/Owner Transfer Date:	
10. Site Boundary and Disposal Area Description: (reference to attachment): The Crescent City Landfill is located in the unincorporated area of Del Norte County at the end of Hights Access Road. The parcel is located in Section 7 of Township 16 North, Range 1 West, Humboldt Meridian. The site latitude and longitude are 41 degrees, 47'30" N; 124 degrees, 13'20"W. The landfill is located on three parcels numbers (APN) 110-020-08, 110-020-043 and 110-020-69. Parcel 110-020-043 lies completely within the landfill property. In 1995, the portions of APN#110-020-08 outside the landfill property boundary were transferred to the California Department of Parks and Recreation in exchange for the portion of APN# 110-020-69 within the current landfill property boundary. The boundary of the disposal area is further described within the RDSI.		

Solid Waste Facility Permit

Local Facility No: None

SWIS No. 08-AA-0006

11. LEA Findings

- a. The location of this facility is identified in the Countywide Siting Element of the County Integrated Waste Management Plan (PRC 50000(a)(5)).
- b. This permit is consistent with the standards adopted by the CIWMB. (PRC 44010)
- c. Based on a review of the March 1, 1999 Report of Facility Information and monthly inspections of the facility, the design and operation of the facility is consistent with State Minimum Standards for Solid Waste Handling and Disposal.
- d. The LEA finds that the Mitigated Negative Declaration, dated March 1, 1999 describes and supports the design and operation which will be authorized by the issuance of this permit. The Mitigated Negative Declaration, SCH # 99032023 was prepared by Del Norte Solid Waste Management Authority, and filed with the State Clearinghouse on March 9, 1999. The Mitigated Negative Declaration, Notice of Determination, and the revised Mitigation Monitoring and Reporting Program were approved by the Del Norte Solid Waste Management Authority on April 15, 1999. A Notice of Determination was filed with the County Clerks office on April 15, 1999.

12. Facility Limitations: The operator shall not exceed the following limitations:

- a. Permitted Maximum Tonnage: 200 tons per operating day
- b. Permitted Hours of Operation: 07:00 to 19:00 (one truck may enter the site between the hours of 05:00 and 06:00 M, W, F. Maintenance activities that don't produce noise beyond the site boundaries may occur 24 hours a day)
- Hours Open to the Public: 08:00 to 17:00 Monday through Friday
09:00 to 17:00 Saturday and Sunday
- c. Permitted Maximum Elevation (MSL): 104 feet above mean sea level
- d. Maximum Permitted Traffic: 378 Vehicles per day (including soil delivery trucks)
- e. Maximum Permitted Acreage: 166 acres
- f. Maximum Permitted Disposal Area: 23 acres
- g. Remaining Permitted Design Capacity: 135,728 cubic yards of total air space (as of 2-3-99)

13. Design Information

At the time the permit was prepared, the following basic design information was reviewed and was fundamental in setting the conditions in this permit, as were the details of the design information provided in the RDSI. The operator shall keep all information updated pursuant to Title 27, Sec. 21600. Such amendments or lack thereof may become the basis for changes in the permit. The information listed below is in no way meant to set limits on the facility. However, the LEA may determine that if the following design significantly changes, the operator will be required to revise the permit to include additional or different conditions or limitations.

Total Remaining Refuse Capacity	108,582 cubic yards
Estimated Closure Year	2002
Disposal Area (existing refuse footprint)	23 acres

14. The following is a list of some of the other permits and other necessary documents for the facility, which the LEA has reviewed and considered prior to writing the permit. These documents in no way condition the facility under this Solid Waste Facility Permit, unless otherwise stated in the LEA Condition portion of this permit.

Documents	Date
Closure and Postclosure Maintenance Plan	11-95 (revised 1-99)
Closure Financial Responsibility Document	2-2-99 letter from CIWMB
Composting Registration Permit	4-97
Conditional Use Permit	None required, pre-existing permitted use.
Conditional Use Permit/Coastal Grading Permit (for closure)	6-96
Individual Wetlands Fill Permit 21555N77	6-96
NCRWQCB Monitoring and Reporting Program No. 97-90	8-12-97
NCRWQCB Waste Discharge Requirements 97-90	8-12-97
Operating Liability	2-2-99 letter from CIWMB
Operations Plan	4-96
Rubbish Dump Permit	6-98

Solid Waste Facility Permit

Local Facility No: None

SWIS No. 08-AA-0006

15. LEA Monitoring Requirements:

Monitoring Program	Reporting Frequency	Reporting Due Date	Agency Reported To
Methane Gas	Quarterly	All reports due following the of the month by the fifteenth monitoring activity	Del Norte County Health Dept.
Remaining Capacity of landfill	Annually		Del Norte County Health Dept.
Soil Balance Records	Annually		Del Norte County Health Dept.
Tonnage Records, including soil imports	Monthly		Del Norte County Health Dept.
Vehicle Count	Monthly		Del Norte County Health Dept.

16. LEA Conditions

- The operator shall make no change in operations that cause this facility to be in violation of this permit.
- The operator shall notify the Del Norte County Health Department at least one month before start up of the sludge diversion project. The LEA shall inspect and approve in writing the sludge storage facilities prior to receipt of sludge.
- The operator shall obtain an appropriate tiered permit from the Del Norte County Health Dept. prior to initiating any sludge composting activities on site.
- Additional information related to compliance with this permit or information concerning the design and operation of this facility shall be furnished to LEA upon request.
- Upon closure this permit is void. Landfill closure and postclosure operations shall be governed by the Closure and Postclosure Maintenance Plan (11-95 (revised 1-99)).
- This solid waste facility permit is subject to review by the LEA and may be suspended revoked or modified at any time for sufficient cause.
- The LEA reserves the right to order the operator to suspend and/or modify operations at this facility when deemed necessary due any emergency, potential health hazard and/or public health nuisance.
- The operator shall maintain a complete copy of this SWFP, Report of Disposal Site Information and State Minimum Standards for Solid Waste Disposal Sites at the site at all times.
